## Product: LIGHTNING BLUE

**Description: Economical Vehicle Wash**

LIGHTNING BLUE is a blue opaque viscous liquid with very little odour. It is designed as a cleaner for trucks, cars, buses, etc., but is also very useful as a general multipurpose cleaner for any washable surface.

### FEATURES

- LIGHTNING BLUE is slightly alkaline with a pH of 8 to 9.5 in the neat form. It is safe to use on all washable surfaces.
- It is a very versatile product. As well as using it to wash vehicles it can also be used to clean the floor, work surfaces, paint work, equipment, etc. This means many places can use one product for all applications saving money and space used to store products.
- LIGHTNING BLUE has a high level of non-ionic detergents. These are very effective at removing oily soils.

### HOW & WHERE TO USE

#### DIRECTIONS:

**PRESSURE SPRAY WASHING:** (1:10 - 1:40) Depending on degree of soiling, dilute LIGHTNING BLUE between 1:10 - 1:40 (or 250mls to 1 litre for every 10 litres water). The solution is placed into the pick up reservoir. Spray solution onto vehicle allow to act for a few minutes then pressure rinse off.

**HAND WASHING:** (1:200) Dilute 50mls LIGHTNING BLUE to 10 litres water for vehicle & truck washing. Sponge or spray on. Allow a few minutes for detergent to penetrate grime, then hose or pressure clean off. Heavy soiled areas may require solution agitation with a soft bristle brush.

Note: Always pre-rinse vehicle before washing
