Note:

COBALT BLUE Australasia provides the information submitted in this Product Information Sheet based on our current knowledge and experience. In view of the many factors that may affect processing and application, these data do not relieve users from the responsibility of carrying out their own tests and experiments; neither do they imply any legally binding assurance of certain properties or of suitability for a specific purpose. It is the responsibility of those to whom we supply our products to ensure that any proprietary rights and existing laws and legislation are observed.

Product: **BLEND 92** **LEMON FRESH LAUNDRY POWDER**

Description: Blend 92 is an economic single shot laundry powder with a pleasant lemon fragrance suitable for front & top loader washing machines in cold or preferably warm to hot water.

FEATURES

- BLEND 92 is an economical laundry detergent suitable for use in top or front-loading washing machines.
- BLEND 92 is a free flowing white powder with a lemon fragrance.
- BLEND 92 combines good performance with a very competitive price.
- BLEND 92 contains, alkaline builders, anionic and non-ionic detergents
- For good all round performance. it does not contain any bleach so can be used with chlorine or oxygen bleaches.
- BLEND 92 is a low to medium foam product and can be used in top loading or front-loading washing machines. It is suitable for use in domestic or commercial washers.

HOW & HOW & WHERE TO USE

- In a medium sized top loader, around 5kg capacity use from 1/3 to 1/2 cup. Add a little extra for heavy soiling, or an extra large load.
- For front loaders use at a rate of 1/4 cup per 5kg capacity.
- BLEND 92 is also suitable for hand washing. Use from 1/8 cup in a bucket to 1/4 cup in a laundry trough. Wear rubber gloves if you have sensitive skin.

Do not use on wool or silk. For these fabrics we recommend Chesser Woolly Wash.
