

WINDOW MAGIC

High Gloss Window Cleaner

..Streak-Free Shine, Perfect Gloss and a Long Lasting Clean..

PROPERTIES

Window Magic is a carefully balanced formula for the spray cleaning of windows, glass partitions and mirrors, as well as stainless steel and chrome.

Window Magic removes finger marks and other residues and leaves the surface with a streak-free sparkling shine, a perfect gloss and a long lasting clean. The resulting 'silky' feel of the surface shows that the glass surface repels dust and dirt after cleaning with **Window Magic**.

Window Magic is used in hotels, motels, clubs etc. on refrigerators, stainless steel objects, wall tiles and mirrors.

Window Magic can also be used to clean car windscreens and may be added to the windscreen washer reservoir to remove road grime.

PHYSICAL DATA

Appearance :	Liquid
Color :	Blue
Odor :	Slight alcohol odour, no added fragrance
Solubility :	Mixes with water in all proportions
pH :	6.0-8.0
Specific Gravity :	0.98-0.99 at 20°C

DIRECTIONS FOR USE:

Window Magic is most easily used with an atomiser hand spray. Use **Window Magic** neat or diluted with water to up to 1:3. Spray onto the glass surface, rub well with an absorbent dry cloth until dry. If the cloth becomes too damp, turn to a new surface or use another.

Window Magic may also be used for cleaning laminated surfaces, vinyl and baked enamel surfaces. Do not use on wooden furniture, waxed or polished finishes.

ACTIVE INGREDIENTS:

Ethanol
Readily biodegradable surfactants, based on plant-based renewable resources

PACKSIZE:

5L

Consult your Cobalt Blue Representative for specific use instructions and recommended dispensing equipment. For safety directions and first aid information, consult the Safety Data Sheet (SDS) or product label.
