

ULTRA COMPACT AM/FM CB RADIO

BIG FEATURES, MINIATURE SIZE

The 19 MINI AM/FM is an ultra-compact, fully featured recreational CB radio that is perfect for use in vehicles with less space for mounting. It is perfect for road trips, off-roading, overlanding and more. The 19 MINI features dual mode AM/FM for clearer communications and sound quality, provides 40 channels, a full 4 Watts RF output power, VOX hands-free usage, and a 12V power adapter to conveniently power through your dash and move from vehicle-to-vehicle.

COBRA CB INNOVATION

Cobra led the charge in the FCC's 2021 decision to add dual-mode AM/FM for use in CB radios in the United States. Now with FM capabilities, our CB radios will produce better sound quality and you won't need to replace your existing antenna. In addition, our new AM/FM CB radios are backwards compatible to be able to communicate with older AM-only CB radios.
