Provides 800 Watts Continuous and 1600 Watts Peak Household Power

It converts battery power to a 120 V AC household power outlet, allowing you to power up office equipment and household appliances that draw up to 800 watts from your car, truck, RV or boat.
The CPI 890 is a compact 800 Watt power inverter. This inverter provides 800 Watts continuous and 1600 Watts peak household power on the go. It converts battery power to a 120 V AC household power outlet, allowing you to power up office equipment and household appliances that draw up to 800 watts from your car, truck, RV or boat. It also includes a 2.4 Amp USB output, ideal for using and charging most small video games, tablets, mp3 players, mobile phones, and many more USB powered devices. The unit includes direct-to-battery cables.

FEATURES:

- 800 Watts continuous power
  1600 Watts peak power.

- 2 Grounded AC outlets
  Powers up to two household appliances.

- 2.4A USB port
  Charge iPod®, mobile phones, tablets and many other USB devices.

- Direct-to-battery cables included
  Provides power directly from vehicle battery.

- Pentagon Protection®
  5 levels of protection against failures: thermal shutdown, reverse polarity protection, over-voltage shutdown, low voltage shutdown and low voltage alarm.

Continuous power ........................................ 800 Watts
Surge power .................................................. 1600 Watts
Optimum efficiency ........................................ 88%
No-load draw ................................................... < 0.25 Amp
Output waveform .............................................. Modified Sinewave
Input voltage range ........................................... 10-14.4 VDC
Output voltage range ........................................ 115 VAC +/- 5%
Low voltage alarm ............................................ 10.5 Volts
Low voltage cut-off .......................................... 9.5 Volts
AC receptacles .................................................. 2
USB Output ...................................................... Yes
Cigarette lighter plug ......................................... N/A
Direct-to-battery cable with clips ......................... Yes
Thermal shut-down .......................................... Yes
Reverse polarity protection ................................. Yes
LED volt/amp meter ......................................... N/A
Warranty ......................................................... 2 Year
Package type .................................................. Peggable Gift Box with Window
Product weight ................................................ 2.26 lbs.
Product dimensions ......................................... 7”L x 6”W x 3.50”H
Package dimensions ......................................... 9.84”H x 6.89”W x 3.74”D
Master pack quantity ........................................ 6
Master pack dimensions .................................... 12”H x 14.50”W x 10.25”D
Master pack weight .......................................... 16.75 lbs.
UPC ................................................................. 0 28377 31365 3
Master Pack Barcode ........................................ 2 0028377 31365 7
