The JumPack™ H2O is built to the UL 2743 Safety Standard and will keep you going in all-weather conditions.
The latest in the Cobra JumPack™ series of portable power and jump starter line, the Cobra JumPack XL H2O is the most versatile and powerful JumPack yet. Designed to jumpstart large V8 gasoline and diesel engines, the new JumPack H2O is compliant with the UL 2743 safety standard and will keep you going in all weather conditions. The rugged and waterproof design makes this the perfect portable power device for any trip, on the road, off-road or on the water.

**FEATURES:**
- Jump start your car and charge your mobile devices safely in all weather conditions.
- 12000 mAh, 44.4 Wh UL Listed lithium-cobalt battery. Holds a charge longer and is smaller than traditional jumpstarters.
- 400 Amp Starting Current, 600 Amp Peak Current. Jump starts gasoline and diesel vehicles.
- Direct-to-battery cables included provide power directly to the vehicle battery.
- Two Jumpstart Options:
  - Connect directly to the battery
  - Plug into the vehicle’s 12V port (CLP)
- Charges mobile devices multiple times.
- Dual 3 Amp USB ports for rapid charging of two portable devices simultaneously.
- Built-in LED flashlight - Super-bright flashlight, strobe and SOS LED.
- UL 2743 safety standard compliant.
- Includes CPP15000 JumPack H2O, Direct-to-Battery Jump Start Cables with Clamps, Car Charger Cable, AC Adapter, JumPack Charge Adapter Cable and Carry Case.
