

Small enough to fit in your pocket + Powerful enough to jump start your vehicle

The Cobra JumpPack® mini CPP8500 is loaded with excellent charging solutions. It's powerful enough to jump start V8 gasoline and diesel vehicles and can fast charge your electronic devices.

Product Features

Jump Start your Vehicle

Safely jump start a car, light-duty truck, boat, motorcycle, jet ski and even a lawn mower; up to 8 cylinders multiple times on a single charge.

Wireless Device Charging

Quickly charge your devices.

Fast-Charge

Rapidly charge your Qualcomm Quick Charge® - compatible devices 78% faster.

Pocket Size

Easy to carry almost anywhere.

Tri-Color Status LED

The tri-color LED indicates the operational status of the JumpPack and when it is safe to start the vehicle.

Smart Jumper Cables

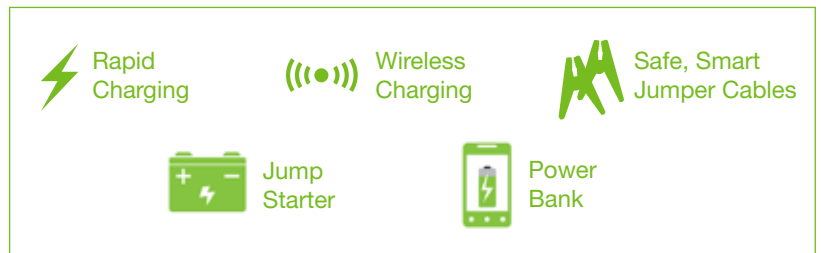

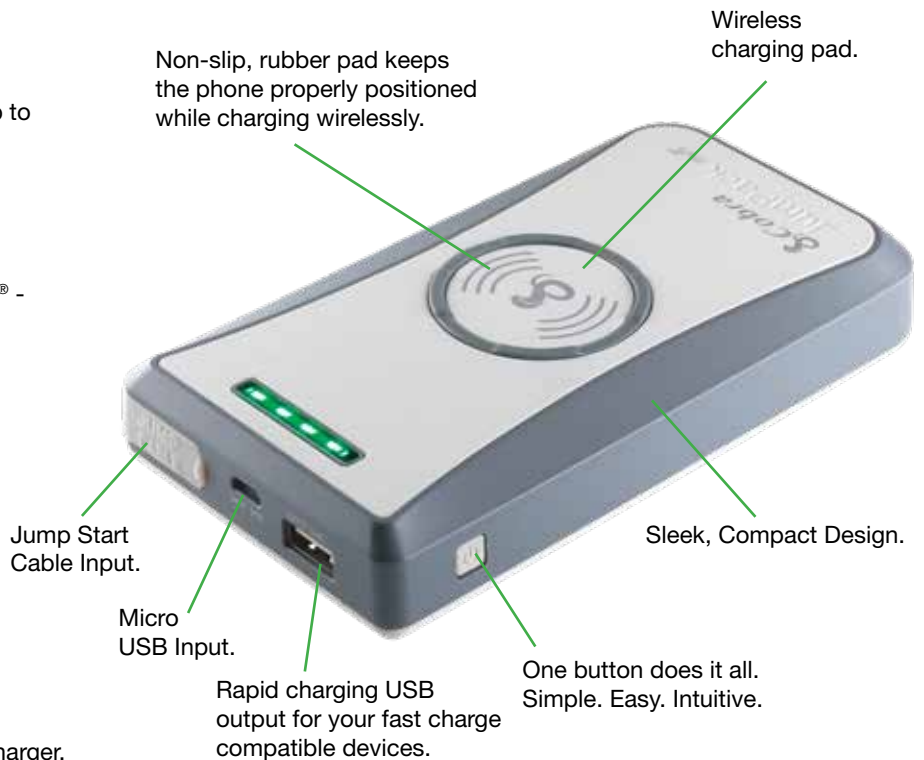

Safe to use with protection circuitry and external jump start protection on smart jumper cables.

Rapid Charge Input

Recharge your jumpack from a laptop, USB charger, or Quick Charge™ compatible USB charger.

Battery Life

Battery charge lasts 8 months in between charges.
