Introduction

Making Life Easier and Safer

Stay in touch with your family and friends is convenient and easy when using your microTALK® radio. Some of the many features that make your microTALK® radio so easy to use are:

Communicating with others while hiking, biking, and walking: keeping track of your kids or other family members in another car: talking with neighbors, arranging meeting spots with other parents for the kids, or.

Secure your microTALK® radio while on the go. Carrying your microTALK® radio with you is easy when using the belt clip or optional wrist strap. The belt clip easily attaches to your belt, purse, or backpack.

1. Bring your radio to standby mode.
2. Press and hold the Menu button until the Tri-Watch TONE icon is displayed.
3. Press and hold the Menu button again to enter the Tri-Watch Setup.
4. Press the Up/Down button to select a channel to activate the Tri-Watch feature.
5. Press the Menu button to save the current state of the Tri-Watch Setup.

Note:
- The Tri-Watch feature allows you to set up to two channels that can be accessed by a single push of a button.
- You can also set the Tri-Watch feature to activate for specific times of the day.

12. Warranty & Trademark Acknowledgment

Limited One-Year Warranty

Altis warrants this product to be free from defects in material and workmanship for one year from the date of purchase. If a defect covered under this warranty is discovered, Altis will, at its option, repair or replace the affected product. This warranty does not cover any problems caused by the following:
- Normal wear and tear
- Misuse, abuse, or negligence
- Acts of God
- Unauthorized repair or modification
- Use of unauthorized accessories, parts, or attachments

This warranty applies only to products purchased in the U.S. and is subject to the terms and conditions set forth above. This warranty is non-transferable and is not valid if the product serial number or warranty label is missing, altered, or removed. This warranty gives you specific legal rights, and you may also have other rights that vary by state or country.
