

An estimated 66% of all Americans may suffer from adrenal fatigue

Adrenal Formula

Recharge your body's natural energy source*

The adrenals, small walnut-size glands on top of the kidneys, act as the body's "fight or flight" glands. They produce important hormones like adrenaline, cortisol and DHEA, which also helps the thyroid produce and maintain energy levels. Under constant daily stress, the adrenal glands can't keep up and burnout commonly sets in.

Signs of adrenal fatigue

Does this sound like you?

- Trouble sleeping through the night*
- Cravings for salt, caffeine or sweets*
- Dark circles or bags under your eyes*
- Overwhelmed by stress*
- Constantly fighting belly fat*
- Always tired, especially around 11am and 3pm*
- Suffering from "night owl" syndrome (getting a second wind late in the evening)*

» Supplementing with adrenal glandular tissue can provide the building blocks to regenerate adrenal function «

Adrenal Formula contains:

- **Whole adrenal gland and raw adrenal cortex** from bovine sources that carry the DNA/RNA blueprint of the adrenal gland to promote cell healing, plus gland function and repair.*
- **Spleen and liver glandulars** for complete absorption and assimilation.*
- **Important revitalizing nutrients** including vitamin C, pantothenic acid, zinc, vitamin B6, vitamin A and tyrosine (a thyroid-supportive amino acid).*

Usage: Adults take one to two (1-2) caplets two to three times daily, ideally at the adrenal "times" of 7am, 11am and 3pm. It is recommended that individuals begin with one (1) caplet at each of these times and increase gradually until two (2) caplets are taken at the allotted times, or as directed by a health care professional. Do not exceed six (6) caplets daily.

“I have an autoimmune disease and it has caused years of adrenal fatigue! Through many years of research and trying to get this disease under control naturally, I finally found this superior adrenal support formula. I haven’t found another like it. So many adrenal supplements contain herbs that stimulate the immune system and create problems for my finicky system. I have been faithfully taking it for 2 years now and will continue. A few friends and family members have started taking these as well and have been greatly helped! It makes such a huge difference in our lives! Thank you UNI KEY!”†

My increased energy and positive outlook on life I attribute greatly to this product. Seriously...try it!”†

It’s an answer to prayer.”†

“My friend diagnosed Adrenal “burnout”, I had all the symptoms but had never heard of it. After countless thyroid tests (all normal), I tried UNI KEY’s Adrenal Formula, which my friend recommended.
