

Chronic constipation is a serious issue, affecting 15% to 20% of the U.S. population

# Super-GI Cleanse

Gentle and effective daily intestinal cleanse\*

Safe for everyday use, Super-GI Cleanse is a complete intestinal cleansing formula that supports detoxification of the body through elimination, without dehydrating the colon. The unique addition of plant enzymes and intestinal flora also helps to support delivery of fiber and natural herbal cleansers into the GI tract.\*

## Key ingredients:

- ✓ **Five Sources of Fiber** (soluble and insoluble) from psyllium seed husk, flax seed, apple pectin, oat bran and rice bran\*
- ✓ **Natural Colon Cleansers** including buckthorn bark, cranberry, butternut bark, alfalfa herb, licorice root, fennel seed, peppermint leaf, anise seed and Irish moss\*
- ✓ **Intestinal Flora Blend** to provide a probiotic boost for enhanced immunity and optimum absorption of key vitamins and minerals\*
- ✓ **Plant Enzyme Blend** to aid digestion of proteins, carbohydrates and fats\*

"This amazing formula has been life changing for me. No more eliminating a couple times a week or bloated stomach."†

-Bonnie

## All-in-one daily cleanse:

Ensure daily elimination and regularity with a blend of cleansing herbs, fiber, enzymes and flora designed to:

- Ward off constipation and bloat\*
- Act as a 'broom' to sweep waste from your GI tract\*
- Relieve intestinal and digestive discomfort\*

**Usage:** Adults take three (3) capsules one to two times daily with 10-12 ounces of water as a dietary supplement, or as directed by a health care professional. For children 12 and younger, take half the adult dosage.

## Success Stories / Super-GI Cleanse

*“I have suffered for years with chronic constipation and digestive issues. No other products have worked as safely and effectively as this one! Excellent quality—no bad side ae*

*-Angela*

*“Before taking Super-GI Cleanse I had tried taking other fiber products. They did not work as well and they were very harsh! No comparison to Super GI-Cleanse. I travel alot; I was not having regular movements and not drinking enough water. Since starting the product all that has changed. No more irregularity! I have used it for 2 years now. I put it in my smoothie every morning and would not want to be without it!”†*

*-Sherry*

*“I have been using Super-GI Cleanse for a number of years now for colon health and I consider it to be one of those products I can’t live without. I have used both flaxseed and psyllium in the past and neither of them has kept me regular as the Super-GI Cleanse! It is a great and very easy way to get my fiber!”†*

*-Karen*

*“Everything we read now talks about the importance of fiber-- especially as we age. I found Super-GI Cleanse and I am very confident with my choice. I am not as young or as active as I once was, but I tell you what, I feel great now. I am impressed with how I feel and the ingredients. I never forget to take it, especially on vacations. Super-GI Cleanse has the perfect amount of fiber to keep me regular.”†*

*-Claire*

*“Before taking this product I was diagnosed with pancreatic cancer. I had surgery and had one third of my pancreas removed, 40% of my stomach and part of the small intestine, which caused constipation. In the hospital they gave me things that did not work. My daughter suggested Super-GI Cleanse and I now have regular bowel movements and normal consistency. I attribute the normal function of my bowels to Super-GI Cleanse and am very pleased!”†*
