

## the no fuss brush!™

Your pet will feel Pure Bliss with Furbliss.

Furbliss® is the most innovative & multi-functional pet brush available for pets! Traditional pet brushes are made out of metal, steel, or wire that cause discomfort. Furbliss is made from 100% medical grade silicone that is extremely safe, & also provides a relaxing & comforting massage as you brush your pet. This patented two-sided brush is great for daily brushing & provides safe deshedding. It can also be used both wet or dry & is the perfect brush for bath time. The back side of the brush works great to remove unwanted pet fur & lint from clothing & furniture. Recommended by veterinarians, pet parent tested, & loved by pets...this brush is simply *furbliss!*™
