

THE REVOLUTIONARY MULTI-FUNCTION PET BRUSH!

Deep Cleaning & Shining

Great for daily Brushing & Exfoliating. Removes dander, sebum, & crusts.

Use Wet or Dry

Perfect for bathing & easy to clean. Simply rinse under warm water or toss in dishwasher or washing machine.

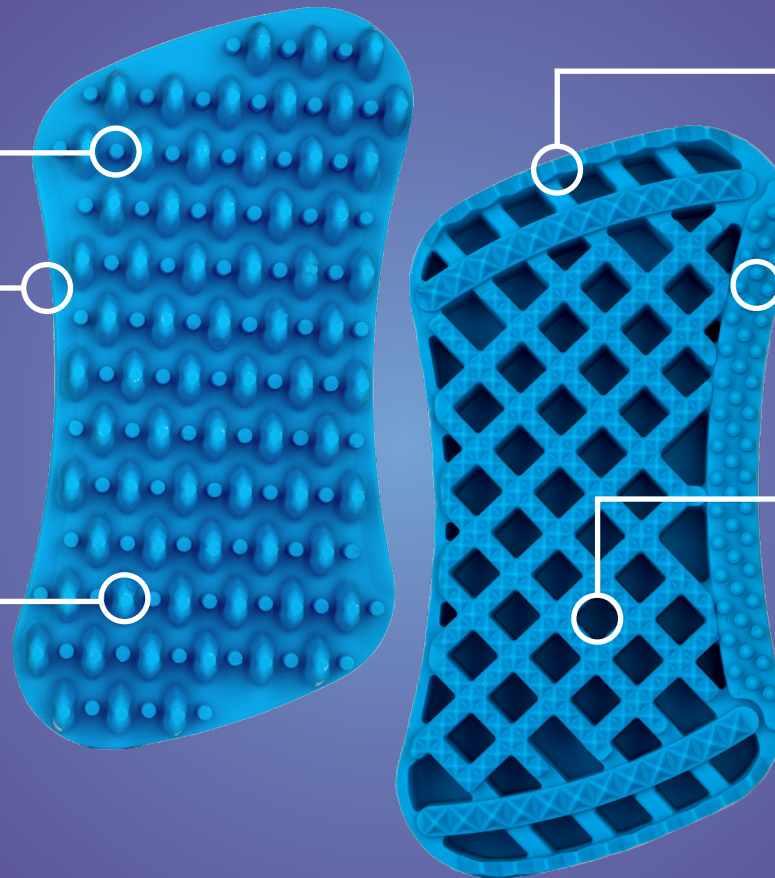

Massaging & Calming

Provides comforting & relaxing massage while stimulating the circulation of skin, joints, & muscles.

100% Medical Grade Silicone

The silicone attracts fur & dirt. These durable brushes can withstand temperatures of up to 250°F & are guaranteed to last a lifetime!

Deshedding Teeth

Removes loose fur & safely provides deshedding to keep your pet looking great & your house clean!

Cleans Clothes & Furniture

The back side of the brush works great to remove fur & lint from clothing, furniture, & auto interiors.

Shampoo Reservoir Cells

Great to be used with shampoos to create a luxurious lather for deeper cleaning during bath time.

Veterinarian & Groomer Recommended

To support healthy skin & coat in all breeds of pets. The best brush for pets with inflamed skin due to allergies.
