scruffy to fluffy!™

COMPREHENSIVE SKIN & COAT SUPPORT FOR DOGS & CATS

Furbliss® grooming and supplements are veterinarian recommended for the health, beauty, and wellness of pets. Furbliss grooming products include our multi-functional brushes, wipes, shampoos, and sprays. They are supplemented by our skin & coat daily chews, designed to regularly support overall fur and skin health for dogs from the inside out.

Multi-Functional Pet Brush

The patented swiss-designed Furbliss brush provides a gentle and calming brushing action offering pets a therapeutic massage that stimulates circulation and relieves muscle tension. The Furbliss brush desheds, removes sebum, crusts, and dander, and leaves the coat shiny and healthy. It can be used wet or dry and is the perfect brush for bath time. The brush's backside helps loosen fur from the undercoat and can also be used to remove fur and lint from clothing, furniture, and auto interiors.

- Great for routine brushing and deshedding
- Stimulates circulation and relieves tension in muscles and joints
- Provides deep cleaning and exfoliating to remove sebum, crusts, and dander
- Two-sided design has multiple functions and can be used wet or dry
- Removes fur and lint from clothing and furniture
- Easy to clean, dishwasher and washing machine safe up to 250°F/121°C

Bathing & Grooming Products for Dogs & Cats

Furbliss grooming products use premium ingredients and luxurious botanical extracts to moisturize and deodorize the skin and coat, leaving it shiny, healthy, and smelling great. (With no wet dog smell!) Our products provide safe grooming for dogs and cats of all ages, fur types, and breeds. They are perfect to use with the Furbliss Brush for a relaxing massage and bath treatment.

DEEP CLEANING

Removes sebum, crusts, and dander

PROFESSIONAL QUALITY

Veterinarian formulated with premium botanical extracts

SOOTHING FORMULA

Nourishing ingredients promote healthy skin

Skin & Coat Supplements for Dogs

Furbliss Skin & Coat Supplement the ideal complement to a dog's grooming routine. Skin and fur health doesn't just come from regular grooming—it starts by providing your dog with the right nutrients. Our daily chews contain high levels of essential omega fish oils plus supportive vitamins and minerals that promote healthy hair growth and help to maintain soft, smooth skin from the inside out.

- Omega Fish Oil EPA & DHA to promote a silky coat and help maintain skin's moisture by balancing natural oils on the skin's surface
- Biotin to help maintain calm and moisturized skin and provide support for the natural inflammatory processes of skin cells
- CoQ10 to support overall skin health by naturally protecting the body from harmful effects of free radicals and supporting the immune system
- B Vitamin Complex to support skin and coat health on multiple levels; including B1 for acne-prone skin, B5 for skin healing, and B12 for healthy hair growth

Our supplements have achieved the highest standards in quality, ingredients, and manufacturing awarded by NASC.
