

AMABRUSH'S PRIVACY POLICY

We appreciate your interest in the Amabrush website. Protecting your privacy is very important to us. To ensure this, we take reasonable precautions and employ the best practices in the industry. Below, we inform you in detail about the handling of your data.

Version from 25th, May 2018

1. Storage of access data in server log files

You can visit our websites without giving any personal information. We only store access data in 'server log files', such as the name of the file requested, date and time of retrieval, amount of data transferred and the requesting provider, for example. This data is evaluated solely to ensure trouble-free operation of the site and to improve our service and does not enable any conclusions of a personal nature to be drawn.

2. Data collection and use for contract processing and for opening a customer account

We collect personal data if you provide us with this as part of your order, or when you voluntarily contact us (by contact form or email, for example) or open a customer account. The data collected can be seen from the respective input forms; this includes, but is not limited to names, surnames, delivery address and possibly credit card information. When you visit our website, we automatically receive your computer's IP address, in order to determine which browser and operating system you are using. We use the data provided by you for managing contracts and processing your requests. After completion of the contract or deletion of your customer account, your data will be blocked against further use and deleted after expiry of the statutory tax and company retention periods, unless you have expressly consented to a further use of your data, or we reserve the right to further data usage as permitted by law, about which we will notify you below. Deletion of your customer account is possible at any time and can be done either by sending a message to privacy@amabrush.com or via a designated function in the customer account. Your rights regarding your personal data, as specified in section 19 of the Amabrush Privacy Policy, remain untouched.

3. Data transfer for contract fulfilment

For contract fulfilment, we will pass on your data to the shipping company assigned for the delivery, insofar as this is necessary for delivery of goods ordered. Depending on which

payment service provider you select in the order process, we will forward the payment data received to the credit institution assigned for payment and any payment service providers assigned by us to process the payments, or to the payment service selected. In part, the selected payment service providers also collect this data themselves, provided that you create an account there. In this case, you must log in to the payment service provider with your access data during the ordering process. In this, the privacy policy of the respective payment service provider applies.

4. Data usage when registering for the email newsletter

If you subscribe to our newsletter, we will use the data required or provided by you separately, in accordance with your consent, to send you our regular email newsletter. You sign up by clicking on the "subscribe" button. Thereafter we will send you a confirmation email, where you can declare your consent, to Amabrush's use of your email address for own marketing purposes, by clicking on the "Yes, I agree! Sign me up for this list." button, right under the data protection information including a reference to the Amabursh Privacy Policy. Unsubscribing from the newsletter is possible at any time and can be done either by sending a message to the contact privacy@amabrush.com or via a dedicated link in the newsletter. Consequentially Amabrush shall delete all personal data collected in that context. Your rights regarding your personal data, as specified in section 19 of the Amabrush Privacy Policy, remain untouched.

5. Data usage for email advertising without newsletter registration and your right to objection

If we receive your email address in connection with pre-ordering a product and you have not objected, we reserve the right to send you regular email offers and information about this and similar products from our range, such as those already purchased or pre-ordered. You can object to this use of your email address at any time by sending a message to privacy@amabrush.com or via a dedicated link in the promotional email, without incurring costs other than those for transmission according to the basic tariffs. Your rights regarding your personal data, as specified in section 19 of the Amabrush Privacy Policy, remain untouched.

6. Data usage for postal advertising and your right to object

In addition, we reserve the right to save your first and last name, mailing address and – insofar as we have received this from you in the context of the contractual relationship - your title, academic level, year of birth and job, industry or business title, in summary lists, to use for our own advertising purposes, such as for sending offers and information of

interest concerning our products, by post. For customers based in Austria, this does not apply if you are registered in the Robinson list pursuant to §151 Abs. 9 GewO [Gewerbeordnung, Austrian Trade Act]. Customers based in Switzerland will not receive any postal advertising if they have made a corresponding note in the telephone book. You can object to the storage and use of your data for these purposes at any time by sending a message to the contact privacy@amabrush.com. Your rights regarding your personal data, as specified in section 19 of the Amabrush Privacy Policy, remain untouched.

7. Data collection and usage in our Dentist Page

The personal data you entered for the subscription at our dentist page, contains inter alia name, academic titles, address, occupation, licence number, duration of work experience, company name, address and size (in employee numbers), details on purchase preferences regarding dental supplies in context with your occupation. That information will solely be saved and used for the internal evaluation of your eligibility for potential benefits in context with the purchase and resale of Amabrush products and shall not be shared with any third parties. In case you subscribed for our Newsletter, in that context, your email address will be used, as elaborated in section 4, for Amabrush's own marketing purposes. You can object to the storage and use of your data for these purposes at any time by sending a message to the contact privacy@amabrush.com. Your rights regarding your personal data, as specified in section 19 of the Amabrush Privacy Policy, remain untouched.

8. Shopify

Our web shop is hosted by Shopify Inc., 150 Elgin Street, Suite 800, Ottawa ON K2P 1L4, Canada. Shopify provides us with the e-commerce platform that enables us to provide our goods to you. Your data is stored on Shopify's data storage, databases and Shopify applications. Shopify stores your data on secure, firewall-protected servers.

If you pay by credit card, Shopify stores your credit card information. This is encrypted using the Payment Card Industry Data Security Standard (PCI-DSS). Your transaction data will only be stored as long as is required to complete your payment transaction. After that, it will be deleted. The credit card payment function follows the standards set by the PCI-DSS, managed by the PCI Security Standards Council, a joint venture between companies such as Visa, Mastercard, American Express and Discover. The PCI-DSS standards help ensure the secure handling of credit card information in the context of our web shop. For more information, please visit Shopify's Terms of Use and Privacy Policy at: <https://www.shopify.com/legal/terms> and <https://www.shopify.com/legal/privacy> as well as <https://www.shopify.com/legal/dpa>.

9. Third-party services

Third party providers such as PayPal (PayPal Holdings, Inc.), 2211 N 1st St, San Jose, CA 95131, USA or SOFORT transfer (Sofort GmbH), Theresienhöhe 12, 80339 Munich, Germany, only collect and process the data necessary to perform their services. Some of these third parties have their own privacy policies with respect to the information we provide them for transaction processing purposes. We encourage you to read these privacy policies in order to understand how these third-party providers process your information. In particular, please note that certain third-party providers do not have a registered office or server in Austria, or in your jurisdiction. As such, if you choose to use a third-party payment method, your data and the processing thereof may be governed by the law of that third-party provider.

If you leave this website or are redirected to a third-party website, your use of the internet will no longer be subject to Amabrush's Privacy Policy and Terms of Use.

10. Use of cookies

To make the visit to our website attractive and to enable the use of certain functions, we use 'cookies' on various pages. These are small text files that are stored on your device. Some cookies we use (called 'session cookies') are deleted after the end of the browser session, i.e. after closing your browser. Other cookies remain on your device and allow us to recognize your browser on your next visit ('persistent' cookies). You can set your browser so that you are notified about cookie settings and individually decide on their acceptance or block the acceptance of cookies for specific cases, or in general. Not accepting cookies may limit the functionality of our website.

The cookies we use include:

"session_id": a unique token, a session cookie enabling Shopify to save information about your session.

"shopify_visit"...no storage, remaining for 30 minutes from the last visit; used by our provider's internal statistics engine to record the number of visits.

"shopify_uniq"... no storage, deleted at midnight on the next day; this cookie counts the number of visits to the web shop of a single customer.

"secure_session_id"... a unique token, session cookie.

"storefront_digest"... unique, persistent token; if the web shop has a password, this cookie is used to query whether the customer has access.

11. Use of Google Analytics for web analytics

This website uses Google Analytics, a web analytics service provided by Google LLC, 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA (www.google.com). Google Analytics uses methods enabling analysis of your use of the website, such as "cookies", text files

stored on your computer. Hereby, data regarding geographic location, language settings, internet browser, internet service provider, operating systems, screen resolution, device type, gender, age, personal interest, online behaviour on the website, are collected by Google LLC and used by Amabrush, in the form of statistics for the purpose of improving our products, marketing activities, website and its functioning. The information used by Amabrush in this context, does not permit any conclusion in respect of the identity of a concerned individual person.

Further details on the collection of data, their processing and use by Google LLC as well as your rights and setting options in context with your privacy are provided in the respective Privacy Policy under (<https://policies.google.com/privacy>). The information generated about your use of this website is usually transmitted to a Google server in the USA and stored there. By activating the IP anonymization on this website, the IP address used will be abbreviated prior to transmission within European Union member states or other states contracting to the Agreement on the European Economic Area. The anonymized IP address provided by Google Analytics within the Google Analytics framework will not be amalgamated with other Google data.

You can prevent Google's collection of data generated by the cookie and related to your use of the website (including your IP address), as well as Google's processing of this data, by downloading and installing the browser plug-in available at the following link: <https://tools.google.com/dlpage/gaoptout?hl=en>. The relation to Google LLC is based on the European Commission's implementing Decision (EU) 2016/1250 of 12 July 2016 pursuant to Directive 95/46/EC of the European Parliament and of the Council on the adequacy of the protection provided by the EU-U.S. Privacy Shield. The data processing is based on the legal provisions in section 96 para 3 TKG (*Telekommunikationsgesetz*, Austrian Telecommunications Act) and art 6 para 1 lit a GDPR (consent).

12. Use of Facebook pixel for web analysis

Our website contains web beacons (also known as "pixel tags"). A web beacon is an electronic image, often invisible, placed on a website or in an email, usually no larger than 1 x 1 pixel, which observes the online behaviour of visitors on the website or while sending emails. Web beacons are provided by third parties, the provider on this website being Facebook Inc., 1601 S. California Ave, Palo Alto, CA 94304, USA („Facebook“) to obtain information about the activity of the visitors on our website. This makes it possible to determine from which computer, when, and from which location a specific website is accessed. We also use "Custom Audience Pixel" analysis software to optimize our advertising campaigns. This software enables online behaviour to be observed in terms of time, geographic location, purchase behaviour and use of this website. This information is collected via web beacons and/or cookies. The information received from the web beacons and/or cookies is anonymous and will not be linked to personal data. This information will

not be shared with third parties for their own use. Further information can be found at: <https://en-gb.facebook.com/business/learn/facebook-ads-pixel>.

The relation to Google Analytics is based on the European Commission's implementing Decision (EU) 2016/1250 of 12 July 2016 pursuant to the Directive 95/46/EC of the European Parliament and of the Council on the adequacy of the protection provided by the EU-U.S. Privacy Shield. The data processing is based on the legal provisions in section 96 para 3 TKG (*Telekommunikationsgesetz*, Austrian Telecommunications Act) and art 6 para 1 lit a GDPR (consent).

13. Use of Facebook Plugins

Our website uses social plugins of the Facebook social network, operated by Facebook Inc., 1601 S. California Ave, Palo Alto, CA 94304, USA ("Facebook"). The plugins are identified by a Facebook logo or the addition of "Soziales Plug-in von Facebook" or "Facebook Social Plugin".

If you visit a page on our website that contains this plugin, your browser connects directly to the Facebook servers. The content of the plugin is transmitted by Facebook directly to your browser and integrated into the page. Through this integration, Facebook receives the information that your browser has accessed on the corresponding page of our website, even if you do not have a Facebook profile or are not currently logged in to Facebook. This information (including your IP address) will be transmitted from your browser directly to a Facebook server in the USA and stored there.

If you are logged in to Facebook, Facebook can immediately attribute your visit to our website to your Facebook profile. If you interact with the plugins by clicking the "Like" button or by leaving a comment, for example, the corresponding information is also transmitted directly to a Facebook server, and stored there. The information will also be posted on your Facebook profile and displayed to your Facebook friends.

The purpose and scope of the data collection and the further processing and use of the data by Facebook, as well as your rights and setting options for the protection of your privacy can be found in the Facebook privacy policy, at <http://www.facebook.com/policy.php>.

If you do not wish Facebook to directly assign the data collected via our website to your Facebook profile, you must log out of Facebook before visiting our website. You can also completely prevent the loading of Facebook plugins with add-ons for your browser, such as a "Facebook Blocker" or script blocker, for example.

14. Use of Twitter Plugins (e.g. the "Tweet" button)

Our website uses social plugins of the Twitter microblogging service, operated by Twitter Inc., 1355 Market St, Suite 900, San Francisco, CA 94103, USA ("Twitter"). The plugins are identified by a Twitter logo, in the form of a blue "Twitter bird", for example.

If you visit a page on our website that contains this plugin, your browser connects directly to the Twitter servers. The content of the plugin is transmitted by Twitter directly to your browser and integrated into the page. Through this integration, Twitter receives the information that your browser has accessed the corresponding page of our website, even if you do not have a Twitter profile or are not currently logged in to Twitter. This information (including your IP address) is sent from your browser directly to a Twitter server in the USA and stored there.

If you are logged in to Twitter, Twitter can immediately attribute your visit to our website to your Twitter account. If you interact with the plugins by clicking on the "Tweet" button, for example, the corresponding information is also transmitted directly to a Twitter server and stored there. The information will also be posted on your Twitter account and displayed there to your contacts.

The purpose and scope of the data collection and the further processing and use of the data by Twitter, as well as your rights and setting options for the protection of your privacy can be found in Twitter's privacy policy, at <https://twitter.com/privacy>.

If you do not wish Twitter to directly assign the data collected via our website to your Twitter profile, you must log out of Twitter before visiting our website. You can also completely prevent the loading of Twitter plugins with add-ons for your browser, such as a script blocker, for example.

15. Use of Pinterest Plugins

Our website uses social plugins of the Pinterest social network, operated by Pinterest Inc., 651 Brannan Street, San Francisco, CA 94103, USA ("Pinterest"). The plugins are identified by a Pinterest logo.

If you visit a page on our website that contains this plugin, your browser connects directly to the Pinterest servers. The content of the plugin is transmitted by Pinterest directly to your browser and integrated into the page. Through this integration, Pinterest receives the information that your browser has accessed the corresponding page of our website, even if you do not have a Pinterest profile or are not currently logged in to Pinterest. This information (including your IP address) is sent from your browser directly to a Pinterest server in the USA and stored there.

If you are logged in to Pinterest, Pinterest can immediately attribute your visit to our website to your Pinterest account. If you interact with the plugins by clicking on the "Pin it" button or by leaving a comment, for example, the corresponding information is also transmitted directly to a Pinterest server, and stored there. The information will also be posted on your Pinterest account and displayed there to your Pinterest followers.

The purpose and scope of the data collection and the further processing and use of the data by Pinterest, as well as your rights and setting options for the protection of your privacy can be found in the Pinterest privacy policy, at <https://policy.pinterest.com/en/privacy-policy>.

If you do not wish Pinterest to directly assign the data collected via our website to your Facebook profile, you must log out of Pinterest before visiting our website. You can also completely prevent the loading of Pinterest plugins with add-ons for your browser, such as a script blocker, for example.

16. Full legal capacity

By using this site, you declare that you have full legal capacity under the law of your country.

17. Changes to this privacy policy

We reserve the right to change this Privacy Policy at any time; as such, please refer to it regularly. Changes are subject to availability on this website. If this web shop is transferred to another company, your data may be transferred to the new owner so that we can continue to offer and sell our goods to you.

18. Rights regarding your personal data and contact options

You have the right to information and data portability, free of charge, on the personal data stored by us, as well as a right to have this data corrected, deleted or if necessary, restrict their use. For questions on the collection, processing or use of your personal data, the exercise of the above mentioned rights as well as withdrawal of consent granted or objection to a particular use of data, please contact us directly via email at privacy@amabrush.com. In case you believe that the usage of your data infringes your data protection rights, you can complaint at the responsible data protection authority. In Austria that is the Datenschutzbehörde.
