

Is the Tow-Pro Elite compatible with Al-Ko 12" brakes?

Question:

Is the Tow-Pro Elite compatible with AL-KO 12" brakes with AL-KO IQ7 electric/hydraulic actuator controlled from the vehicle?

Answer:

The Tow-Pro™ Elite as well as the Tow-Pro Classic can be used with the IQ7, but you may need a dummy load resistor (as used in trailers for LED lights) mounted on the trailer.
