

THE POWER OF

REDARC®

Which Brake controller do I have?

With such a large range of brake controllers it can be hard to remember exactly which one you've got. The easiest way to identify your controller is by looking at the knob.

| Tow-Pro™ series brake controllers | |
|---|--|
|  <p>Dashes as position indicators</p> <p>'REDARC' in Black letters on White band</p> | <p>Tow-Pro™ Elite Part number: EBRH-ACCV2</p> |
|  <p>Dots as position indicators</p> <p>'REDARC' in White letters</p> | <p>Tow-Pro™ Part number: EBRH-ACC</p> |
|  | <p>Tow-Pro™ Classic Part number: EBRHV2</p> |
| Other brake controllers | |
|  | <p>EBRH</p> |
|  | <p>EB</p> |
