EA12

Thank you for purchasing the Entel earpiece microphone. With care, this product should provide years of trouble free use.

FITTING

Place the D-shaped shell comfortably and securely over your left ear. The combination microphone/PTT button should be attached around the lapel area about 10cm from your mouth.

OPERATING INSTRUCTIONS

- Press the PTT button to transmit and release to receive.
- Speak normally, do not shout directly into the microphone.

IMPORTANT

Always switch the radio off before attaching an audio accessory. Models that are certified to ATEX & IECEx have been clearly labelled. Should, in the course of use, any labels be removed or become illegible please return the accessory to Entel for relabelling.
