RKCT92 Silicone Rubber Keyboard - External Module

Description:

The Hatteland Technology Full travel rubber Keyboard. This 92 key backlit keyboard features a compact keyboard with integrated water-proof 25 mm trackball and scroll function. The rubber keys are proven for efficient cleaning, reduced disinfection time and protection against cross contamination. The backlit keys warrant for optimized performance while working in low-light environments.

Features:

|	
• Compact layout	92 full travel rubber keys
• Backlight	Dimmable backlight at 8 levels by two dedicated keys
• LED	Low power LED's warrant for a long life
• Test and certificate	Certificate of Conformity fully compliant with IEC60945
• Power requirements	Powered directly from USB port
