

PROJECT SCIENCE QUESTIONNAIRE

Student number _____

Your school is taking part in a new science and engineering project. We'd like your thoughts now and at the end of the project to help improve the learning experience. This study has been approved by the Open University's Ethics Committee. Please write your 'student number' (provided by your teacher) at the top.

1. Participation is voluntary. Not participating will not affect you.
2. If you consent, please complete this form. It takes about 10 minutes.
3. There are no right or wrong answers—please answer honestly.
4. For questions or to withdraw, contact: tony@masteryscience.com or ale.okada@open.uk

Read each statement carefully and choose 1 option for each statement:	I disagree a lot	I disagree a little	I neither agree nor disagree	I agree a little	I agree a lot
