### HOW TO MAKE A DIFFERENCE IN YOUR CARBON FOOTPRINT

## MEMBRANE ECO SOUND

### >>> PILLOW PACKS!

Biodegradable and ECO-sound, our pillow packs eliminate our carbon footprint. We save you money, but you save the planet when you choose Membrane pillow pack products. Care not only for your skin, but Mother Earth as well. As tattoo artists, we recognize the significant amount of waste generated after each procedure and the importance of reducing our carbon footprint.

At Membrane, we are committed to not only creating exceptional tattoo aftercare formulations but also implementing planet-friendly packaging solutions. Introducing our environmentally sound pillow packs—a must-have for a greener planet and a natural alternative.
