

RELLERY

How to find your perfect ring size?

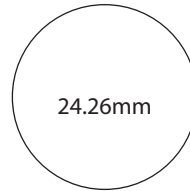

STEP 1

Print this page onto standard US Letter (8.5" X 11") with no scaling applied i.e., (100% original size) and confirm size checks

SIZE CHECK

1 inch

24.26mm

Size of a US quarter coin

STEP 2

Determine required size by placing an existing ring onto the circle which lines up closest to the inner circumference of the ring
