FAN CREATIONS

PPAI SHOW SELL SHEET

- Fan Creations is a mass manufacturer of custom products at the lowest price and best quality.
- We have our own design team that can create your vision for your customer at no charge.

- We are able to cut out any shape with cnc machines or laser and print on a variety of wood, pvc, or metal products.

- Our products range from a simple wood sign to a picture frame to a large wooden barrel top.
- We believe in teamwork with the distributor/customer and their client.
- After completing a process of design iterations and sign-off, a pre-production sample will be shipped for formal approval.
