SECOND AMENDMENT COLLECTION

- Fan Creations is a mass manufacturer of custom products at the lowest price and best quality.
- We have our own design team that can create your vision for your customer at no charge.

- We are able to cut out any shape with cnc machines or laser and print on a variety of wood, pvc, or metal products.

- Our products range from a simple wood sign to a picture frame to a large wooden barrel top.
- We believe in teamwork with the distributor/customer and their client.
- After completing a process of design iterations and sign-off, a pre-production sample will be shipped for formal approval.

- Fan Creations is capable of manufacturing a minimum of 24 pieces to 30,000 pieces.
- Our lead times range depending on the time of the year, but we strive to finish the design process within 7 – 10 days with all production being shipped within 1 week.

- For reorders, we target a lead time for shipment within 5 – 7 days.
- We are the largest manufacturer of licensed home décor for sports licensing including NFL, MLB, NHL, Collegiate and MLS.

- We manufacture for the largest retailers to the small craft stores.
- Our focus is your customer.

All products are shipped from our warehouse in Cumming, GA
