how many birds were in the sky?

answer

# .b10 i saw a connection

thanks very much for playing along  
with all these activities.

i hope you enjoyed them.

they're all based on my limited edition prints or photography.

b2 - i'm going dotty!! dot pattern taken from the  
wonky (dots edition) print.

b3 - loads of hearts all taken from the my pixel heart print.

b4 - did you spot the differences? this is an image  
i took of the famous flatiron building in new york city.

b5 - all the words in the word search are taken  
from the names of my prints.

b6 - it was tasty, but did you put it back together?  
the image i took was from the yum print.

b7 - i love type and wanted you to look at creating  
your own ideas! what did you come up with?

b8 - what was the missing letter?

b9 - this was an image i took in san francisco.  
did you notice them all?
