

We hope our stickers will bring lots of joy to your home!
Please read all of the below carefully prior to using this product.

Key Features:

100% PVC FREE, polyester fabric stickers.

Printed using Greenguard Gold Certified ink which is the most stringent standard for VOC emissions.

Step 1

Choose the area where you would like to apply the sticker. Clean and dry the surface with a cloth to remove any dust or dirt. Do not stick over flaky wall paint and avoid installing on humid or textured walls.

Step 2

Carefully peel off each element and apply to the wall lightly at first, in case you change your mind and want to reposition elsewhere. If some of the elements don't separate from the backing paper easily, it is ok to tug at them until they do.

Step 3

Once you are happy with where your stickers are positioned, gently rub over the surface of the sticker with soft cloth or with your clean fingertips.

Tip:

Keep the backing paper to transfer your stickers for future relocation.

To remove:

Carefully lift a corner and whilst folding the sticker back on itself, slowly peel off. Our wall stickers shouldn't damage your wall, but it's important to be careful when removing it in case the wall has been poorly prepared before painting. If you are concerned, or if the wall offers resistance, heat with a hair dryer while removing.

Warning!

CHOKING HAZARD – This product contains small parts and is therefore not suitable for children under 3 years old. Sian Zeng stickers are not toys and should only be used for decoration.
