LASER MACHINE

Laser Engraving Machine

3W-100W Fiber/CO2/UV Laser Engraving Machine(2D/2.5D)

Laser Cutting Machine

30W-130W CO2 DC OR RF Laser, Work area Up to 1600*1000mm

Laser Welding Machine

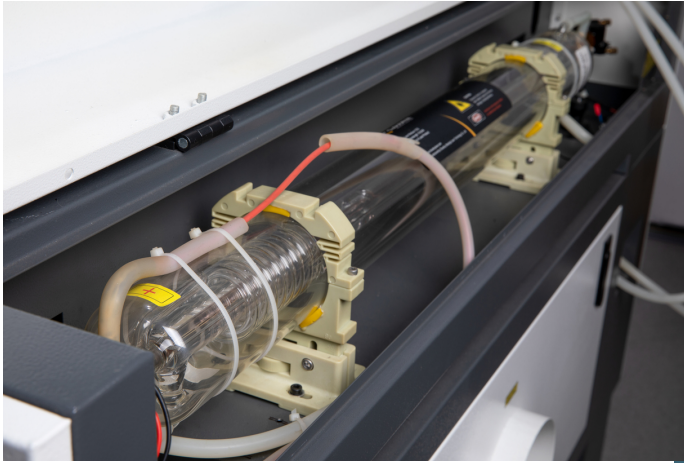

1-1.5kw handheld laser welding machine with wire feeder

Laser Cleaning Machine

100w-2000w handheld fiber laser cleaning machine

CO2 Laser Cutting Machine Accessories

CO2 Laser Lens 01

CO2 laser USA CVD/PVD ZnSe focus lens & Si Mirror Lens etc

CO2 Laser Tube 02

Reci w & t series co2 laser tube ; Radio frequency laser tube

CO2 Laser Controller 03

Ruida Laser Controller

CO2 Laser Chiller 04

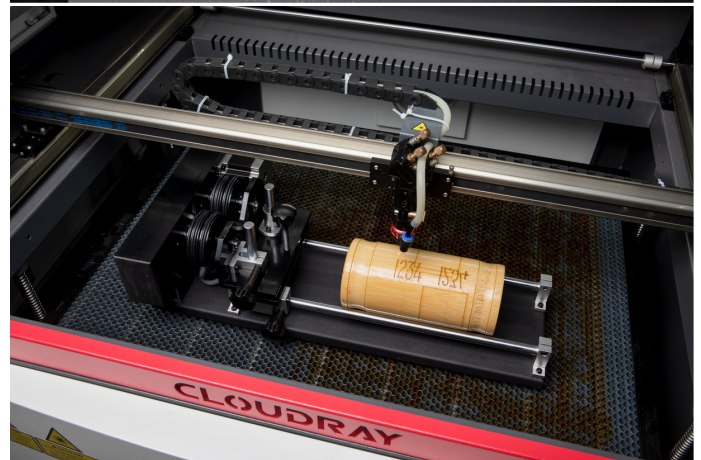

S&A CO2 laser water chiller(CW5200)

CO2 Power Supply 05

40W-180W CO2 laser power supply

Laser Head Set 06

C/E/K/G series laser head set

Upgrade Kits 07

Beam Combiner/Expander & Z-axis focus sensor

Other CO2 Parts 08

Guide rail/Honeycomb/Other metal parts

Fiber Laser Cutting Machine Accessories

Fiber Laser Source 01

Raycsu Single/Multi Module CW fiber laser1-12KW

Fiber Control System 02

Friendess FSCUT1000-4000 FIBER LASER CONTROL SYSTEM

Fiber Chiller 03

S&A fiber industrial water chiller CWFL1000-12000

Laser Cutting Head 04

Raytools/WSX/Au3tech Laser cutting head

Laser Nozzles 05

Raytools/WSX/Precitec/Trumpf/Bystronic Laser nozzles

Laser Ceramics 06

Raytools/WSX/Precitec/Trumpf/Bystronic Laser ceramics

Fiber Laser Lens07

Fiber focusing&collimating lens

Laser Cutting Head Parts 08

Nozzles connector/Lens insertion tool

Other Fiber Parts 09

Check&Solenoid valve/Protective connector

Laser Marking Machine Accessories

Rotary Attachment 01

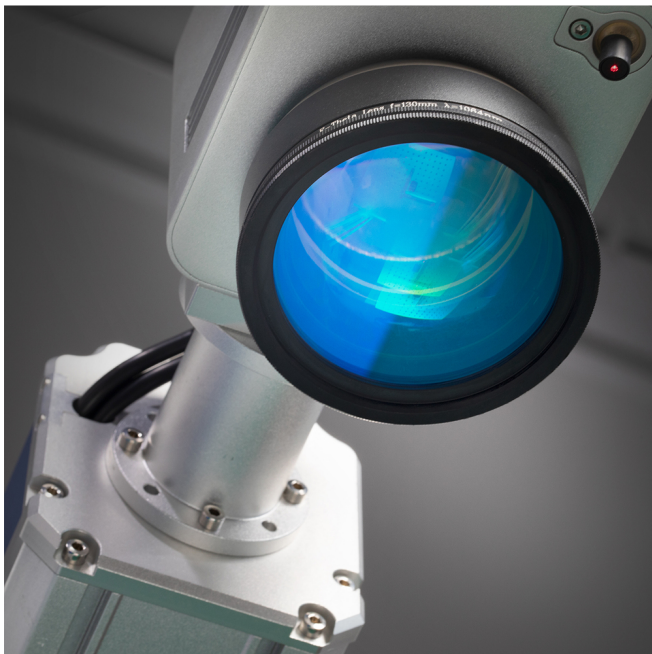

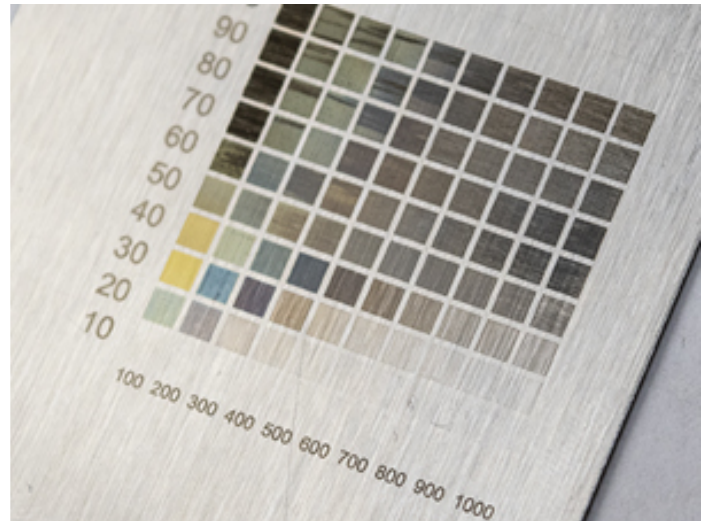

Engrave round objects such as glasses, tumblers, and more.

Fume Extracation System 02

A great solution if your laser is not in a well ventilated area.

Marking Laser 03

Raycsu q-switched fiber laser & JPT Mopa fiber laser

Optical Lens 04

Max. Engraving Speed: 196.85 ips (5000 mm/s)

Marking Controller 05

Ezcad2/3 laser marking control card

Other Marking Accessoreis 06

Protective cover for machine/Safety glasses

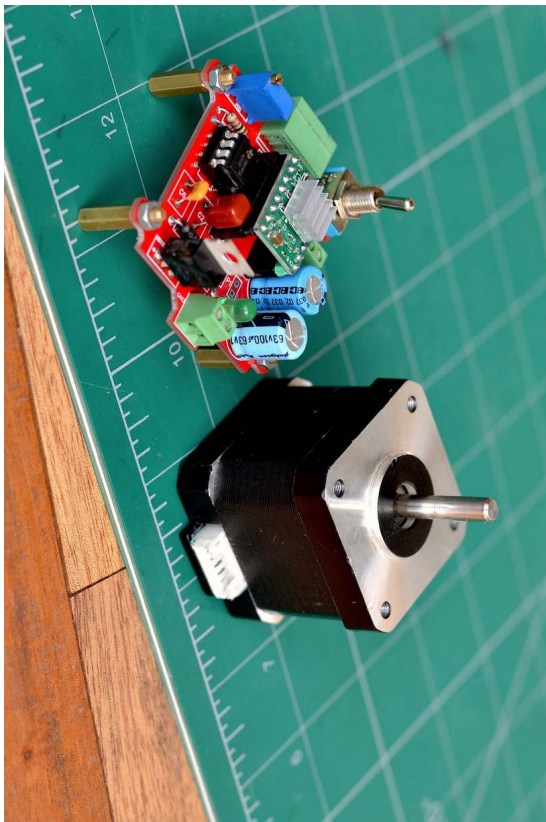

Laser Welding Machine Accessories

Laser Welding System 01

Laser welding head+controller+wire feeder+laser

Laser Welding Nozzles 02

WSX/WEIYE/QILIN/HANWEI laser welding nozzles

Stepper Motor & Driver

Cloudray Stepper Products 01

Open/Closed loop nema 17/23/24/34 stepper motor&driver

Leadshine Stepper Products 02

Leadshine open/closed nema17/23/34 stepper motor&driver

Motor & Driver Combo 03

Stepper motor&driver combo/servo motors

www.cloudraylaser.com

Cloudray , a world-leading laser parts and solutions provider, has established a whole series of laser product lines, featured with laser machine together with fiber accessories & parts, range from CO2 laser parts and fiber cutting accessories

What's more, we offer professional industrial solutions for your request, provide professional upgrading and customization proposal for your machine according to your idea and plan.
