Cardi B Loves Herself Some \$10 Drugstore Foundation

Proof that flawless-looking skin doesn't have to cost a fortune.

Aside from her IDGAF attitude and ability to pair Fashionova and Steve Madden with Alexander Wang flawlessly, for example, here's another reason to love rapper Cardi B: She isn't looking to spend her bankroll on beauty. Especially when drugstore foundation can give her skin a flawless finish that any other prestige product could.

Black Opal True Color Skin Perfecting Stick Foundation SPF 15 in "Nutmeg," \$10

Next, she adds dimension to Cardi's face with the "Nutmeg" and "Copper Brown" shades from Anastasia Beverly Hills Contour Kit in Medium/Tan. "But before that, I like using Black Opal True Color Skin Perfecting Stick Foundation in Beautiful Bronze on her face and nose," she adds. "She likes her nose to be really contoured. So I do that, and then blend it out with the compact powders."
