

The Best Foundation and Concealer Brands for All Skin Tones

by Shammara Lawrence

"It shocks people to know that I carry Black Opal True Color Skin Perfecting Skin Foundation in my makeup kit!" Youtube vlogger and celebrity makeup artist **BeatFaceHoney** (AKA, Tatiana Ward) reveals. Tatiana has painted the faces of Nicki Minaj, Brandy, and Keyshia Cole — and some of your favorite makeup looks were achieved with this drugstore line. This multipurpose stick looks equally great as a full-coverage foundation, concealer, and contour on darker skin tones.
