Solange Knowles looked absolutely [amazing at the BET Awards](#), held live from Los Angeles on June 25. Celebrity makeup artist **Dana Delaney** created her look using **Black Opal** cosmetics. Black Opal is a wonderful brand available at places like Walmart, CVS, Rite Aid and Kmart. The brand works for ALL skin tones and [is super affordable](#). Here is what Dana did to create Solange's perfect skin. "To start, I used **Black Opal Invisible Oil Blocking Gel Primer** on Solange's T-Zone to prep her skin. Using a foundation brush, I applied **Black Opal Even True Flawless Liquid Foundation** in Rich Caramel, that I buffed into her skin for a flawless, velvety sleek finish."

"Next, I brightened under Solange's eyes and center of her face using **Black Opal Even True Brightening Under Eye Concealer**. For blemish coverage, **Black Opal True Color Flawless Perfecting Concealer** in Truly Topaz seamlessly covered imperfections. I then used **Black Opal True Color Stick Foundation** in Suede Mocha to contour her cheeks and accentuate her bone structure. Then I dabbed **Black Opal Perfecting Primer** in Medium onto her cheekbones for a dewy finish. Finally, I used **Black Opal Invisible Oil Blocking Powder** sparingly on her T-Zone for shine control to last through the night."

For her gorgeous eyes, Dana shares the steps she took: "Keeping to Solange's [fresh, modern look](#), I used **Black Opal Color Splurge Eye Satin Matte** in Crème Brulee — I used the lighter shade as a base to buff the eyelid and blended the darker shade into the crease for a sculpted finish. I applied **Black Opal Color Splurge Precision Eye Definer** in Black to the base of her lashes and smudged out. To finish the look, her brows were shaped and groomed with **Black Opal Color Splurge Brow Shaper Kit**." For her lips, "I used **Black Opal Waterproof Gel Lip Liner** in Naked all over the lip and blended with lip balm for a gorgeous glossy finish."
