

## 20 Under-\$20 Foundations for Coverage That Lasts

One of the biggest misconceptions regarding beauty products is that the bigger the price tag, the better the results. The drugstore wants a word with whoever spread that vicious lie. Coverage comes in many forms, but we can't deny the security of a foundation that disguises our blemishes without making the [skin](#) look too cakey or unnatural.

### **Black Opal Even True Flawless Liquid Foundation**

An oil-free and fragrance-free range created with darker skin tones in mind.
