Cardi B's Makeup Routine Involves \$10 Foundation, Nose Contouring, and Body Glitter

Cardi B, the people's princess, has everything — a [movie deal](#), several record-breaking [hit songs](#), and incredible style. She arguably had the best fashion month this season, sitting next to [Anna Wintour](#) at [Alexander Wang](#) and watching her fiancé Offset smoke front row at [Prabal Gurung](#). Fun! But what does the woman who wears a \$550,000 engagement ring put on her face? According to her makeup artist, [Erika La' Pearl](#), two shades of \$10 Milani foundation.

La'Pearl broke down Cardi B's makeup routine for [Refinery 29](#), revealing that she's a fan of the high-low mix, even in her approach to makeup. While she uses two shades of drugstore foundation from Milani ([06 Sand Beige](#) and [09 Tan](#), to be precise), she likes her nose to be "really contoured." She uses the more high-brow [Anastasia Beverly Hills Contour Kit in Medium/Tan](#) and [Black Opal True Color Skin Perfecting Stick Foundation](#) to contour Cardi B's face and nose.
