FACE:

- To start, I used **Black Opal Invisible Oil Blocking Gel Primer** on Solange's T-Zone to prep her skin
- Using a foundation brush, I applied **Black Opal Even True Flawless Liquid Foundation** in Rich Caramel, that I buffed into her skin for a flawless, velvety sleek finish
- Next, I brightened under Solange's eyes and center of her face using **Black Opal Even True Brightening Under Eye Concealer**. For blemish coverage, **Black Opal True Color Flawless Perfecting Concealer** in Truly Topaz seamlessly covered imperfections
- I then used **Black Opal True Color Stick Foundation** in Suede Mocha to contour her cheeks and accentuate her bone structure. Then I dabbed **Black Opal Perfecting Primer** in Medium onto her cheekbones for a dewy finish
- Finally, I used **Black Opal Invisible Oil Blocking Powder** sparingly on her T-Zone for shine control to last through the night

EYES:

- Keeping to Solange's fresh, modern look, I used **Black Opal Color Splurge Eye Satin Matte** in Crème Brulee—I used the lighter shade as a base to buff the eyelid and blended the darker shade into the crease for a sculpted finish
- I applied **Black Opal Color Splurge Precision Eye Definer** in Black to the base of her lashes and smudged out
- To finish the look, her brows were shaped and groomed with **Black Opal Color Splurge Brow Shaper Kit**

LIPS:

- I used **Black Opal Waterproof Gel Lip Liner** in Naked all over the lip and blended with lip balm for a gorgeous glossy finish
