

Designer Profile

HUMOUR.NOIR

be unique. be extravégant.

humour.noir create exclusive fashion accessories that are sustainable and vegan. Their handbags are manufactured in a traditional Italian workshop using carefully selected vegan materials that are premium quality. Designer Jenny Steinke aims to express a love of nature and the uniqueness of every

self-confident modern woman through her collection. A brand that is distinctive and unmistakable. Classic, elegant shapes teamed with creative, young designs transform every bag into a work of art.

INGRID BRUHA

Ingrid Bruha has created a limitededition set of handbags using elegant combinations of up-cycled furs and leathers. Inspired by cultures around the world, each bag is a one-of-a-kind item that is sourced from existing materials and handmade locally in New York. The result is sophisticated, unique and sustainable fashion. Photo by

Gabriele Laborde. Visit ingridbruha.com

KAREN THOMAS

In New York City, people take their jackets very seriously. Predominately colder for most of the year and with everyone constantly on the go, ones exterior layer is often all you see. As a New York based brand, Karen Thomas understands the need for a piece to see you through multiple seasons so they have created their pebbled vegan leather jacket. It can be worn five ways with

removable fur and collar, priced at \$395. Vogue readers receive 20% off using code "vogue" at checkout (until 01/07/19). Visit www.karenthomasny.com Follow on Instagram @karenthomasny
