

ANNA-LISA BÄCKLUND

OUR PRINTABLE RING SIZING CHART

Be sure to print this PDF out at 100% (not 'fit to page' on printer settings). Place an existing ring on these circles to see which measurement is closest. If it doesn't fit exactly choose the slightly larger size. If you receive a ring that doesn't fit we are happy to exchange. Please read our exchange policy and be sure to record your postal tracking number.

WOMEN: equivalent to Australian & UK sizes **O, Q and S.**
