They resemble the two sides of the same coin; the qualities of the leadership, sharing, team spirit and tolerance are all learnt from the concept of participating in sport from an early age. Sport releases feel-good endorphins which elevates the mood. A positive mood assists in the chance of performing well in other fields such as education because there is peace of mind that allows greater concentration. In this range you will find colourful, cost-effective equipment that will start any pre-sport journey with a positive impact.

PRECISION FOOTBALLS

Precision's football range is all encompassing, with a product for every pitch - whether it's indoor, outdoor, hard ground or soft - we've got it covered. Choose match balls, training balls or speciality options and you can rest assured that they all carry the same exceptional quality our brand is known for. Our innovative Fusion range is suitable for Championship, International and FIFA-approved levels of competition.

Balls shown with the official 'FIFA Quality', 'FIFA Quality Pro' and 'IMS' (International Matchball Standard) logos have satisfied FIFA's Quality Assurance programme, which assesses criteria such as weight, circumference, roundness, bounce, water absorption, pressure loss and, in some cases, shape and size retention.

IMS
INTERNATIONAL
MATCHBALL
STANDARD

Football made to International Matchball Standard (IMS) deliver heightened consistency, strength and water repellence; reliably performing to the highest standards for longer.

Precision's IMS footballs combine stitched and wound-bladder construction. This leads to better shape retention; more accuracy in flight; and greater power and speed. What's more, they require less re-inflation than alternative balls.

Choose an IMS football from Precision, and you can rely on superior performance in the most varied of playing conditions and temperatures.

VALENCIA

TEAMKIT

The Valencia strip has proven exceedingly popular since joining Precision's line-up five seasons ago. Players love its comfort; micro mesh ventilated side panels; and eye-catching design, while clubs value its long-lasting durability, with features like ribbed polyester detailing to the cuffs and neckline.

Six colourways are available, with striped panels and piped detailing highlighted against a solid colour background.

VALENCIA SHIRT

An eye-catching cut-and-sewn shirt design, guaranteed to make your team stand out against the opposition. The shirt is constructed from 100% micro polyester, with micro-mesh side and arm panels providing welcome ventilation on the field of play. Side cuts reinforced with tape banding provide heightened durability where it's needed most.

We recommend completing your Valencia kit with our Mestella short design and socks from our comprehensive selection.

Gaelic football is played by teams of 15 on a rectangular grass pitch with H-shaped goals at each end. The primary objective is to score by driving the ball through the goals or by kicking the ball over the bar. Hurling is the stick and ball equivalent! The team with the highest score at the end of the match wins!

VOLLEYBALL & DODGEBALL

Volleyball, a court game in which two teams hit a soft beach-style ball only with their hands backwards & forwards over a high net. Ball hits the floor, the team gets a point! First team to score the maximum points wins... Dodgeball is slightly different with the main objective being to eliminate all members of the opposing team by throwing the ball at them. Players must dodge the ball to remain in the game and the team who manages to eliminate all of their opponent's first are deemed the winners! Check out the full range of balls today...
