BAROSSA VALLEY

## 2010 The Pict

*The wild, rugged and earthen aromas typically associated with the Bandol region of France provide the basis for this powerful single vineyard Mataro.*

*Fresh soil, tree bark, cassis and leather dominate the nose with hints of spice, chocolate and drying meats evolving with time in the glass.*

*The expansive palate is rich and dense with a rustic core of earth, tar and black olive all tightly framed by the wines mineral strewn tannins.*

*Although beautifully balanced in its youth, The Pict has the constitution and structure to continually evolve for many years to come.*

After hand harvesting on the 8<sup>th</sup> of April this small batch was destemmed into a single cement vat where it spent 8 days before being 'gravity-drained' and basket pressed. The best barrels were later assembled and the wine was bottled without filtration or fining on June the 13<sup>th</sup> 2012.
