BAROSSA VALLEY

RunRig 2013

98 Points

(Two and a half years in 50% new French oak.) Very deep, dark purple/red colour, with an amazing bouquet redolent of star anise, blackberry conserve, preserved plums, graphite and espresso coffee. The palate is staggeringly powerful, concentrated, dense and thickly textured, with a richness and density of licorice, blackberry conserve, black coffee, meaty charcuterie and toasty oak flavours that linger on and on. The length seems endless. The tannins are dense and thickly textured, with high extract lending it a striking texture. There's a lot of everything, and it's in balance. The wine is massive yet retains freshness.

An awesome wine and an impressive RunRig.
