		Reverse	100% Polyester
	Composition	Unique Hydrogel (Super Absorbent Polymer)	

❄️ PLEASE READ CAREFULLY BEFORE USING THE COOL GEL MAT

❄️ SECRET OF THE COOL GEL MAT'S COOLING EFFECT

- ◇ Spread it, lay down. The gel inside the cool gel mat contains a high water content (80%) that aids in heat dissipation.
- ◇ Instantly cool → absorbs body heat → cool again when you roll over → dissipates heat when on longer in contact → cool again when you roll over

❄️ NOT SUITABLE FOR FOLLOWING CONDITIONS

- ◇ Those who cannot communicate their needs well (infants or disabled elderly)
- ◇ Those who cannot roll over by themselves (certain disabled individuals)

❄️ HOW TO USE

- ◇ Place the cool gel mat on your mattress or pillow, no need to refrigerate it.
- ◇ You can enjoy the coolness when the temp. in 78.8°F to 86°F, if temp. is in excess of 86°F, the cooling effect will be diminished.
- ◇ Coolness is differ from person to person, when you feeling cold, use the reverse side or put one bed sheet on it.
- ◇ In summer. Recommended limit feature air conditioning, can enjoy high-quality sleep, reduce energy loss.

❄️ NOTICE

- ◇ Do not put in the washer, do not dry clean!
- ◇ While clean, wet it in the shower and wash with mild sponge. Rinse clean. Hang drip dry out of direct sunlight, don't for long time.
- ◇ Be careful not to damage it with sharp object. In case of damaged, repair it with adhesive tape. However, the performance will gradually decrease as the gel dries out.
- ◇ Although it uses a non-toxic gel, do not ingest the gel.
- ◇ Although there is some lap marks and scent, does not affect the product function and normal use.
- ◇ Children and pets can use it only under adult supervision.
- ◇ Stop using it immediately when you discomfort.

❄️ PRODUCT EXPIRATION DATE

- ◇ Please store this product properly, valid for three years.

❄️ WARM TIPS
