

The Month in Outfits

Glamour fashion contributor Taylor Tomasi Hill is back! Watch as she wears (and brilliantly re-wears) six key pieces—then do it yourself all April long.

ITEM 1
THE BOATNECK SWEATER

T BY ALEXANDER WANG (\$365, alexanderwang.com)

I love that this pullover is perfect all year and can be styled so many ways.

The crop of the sweater shows off my Harvey Faircloth ruffle panties.

I zip up the neckline to look work-meeting polished.

It's so comfy I even find myself wearing it to bed.

It works over everything, like this blouse, which peeks out of the bottom.

ITEM 2
THE BANGLES

SARA DESIGNS NYC (\$89 for set of nine, 646-688-5557)

Conveniently, these leather bracelets are sold in a set.

They toughen up houndstooth. (PS: This top is actually SPF swimwear by Cover. Protect your skin, ladies!)

"The more, the merrier." That's my bangle mantra.

I also pair them with chunkier silver and gold jewelry for a cool textural effect.

ITEM 3
THE STRIPED TEE

SAINT JAMES (\$130, Saint James, NYC, 212-741-7400)

When in doubt, this is always the shirt I turn to.

It works with my other wardrobe staples too: this Vanities pouch and a "Taylor" bracelet my sister made for me.
