

Top 20 most visible third-party e-liquid brands online in US

Naked 100 has increased the gap with other brands; the first nicotine salt brand has entered the list

Source: ECigIntelligence

Naked 100 has increased its lead in terms of number of products carried, most likely due to the launch of five new nicotine-salt products. Mr Salt-E, which specialises in nicotine-salt e-liquid, has and begun to be carried in a wide range of flavours on two of the websites.
