out-of-the-box

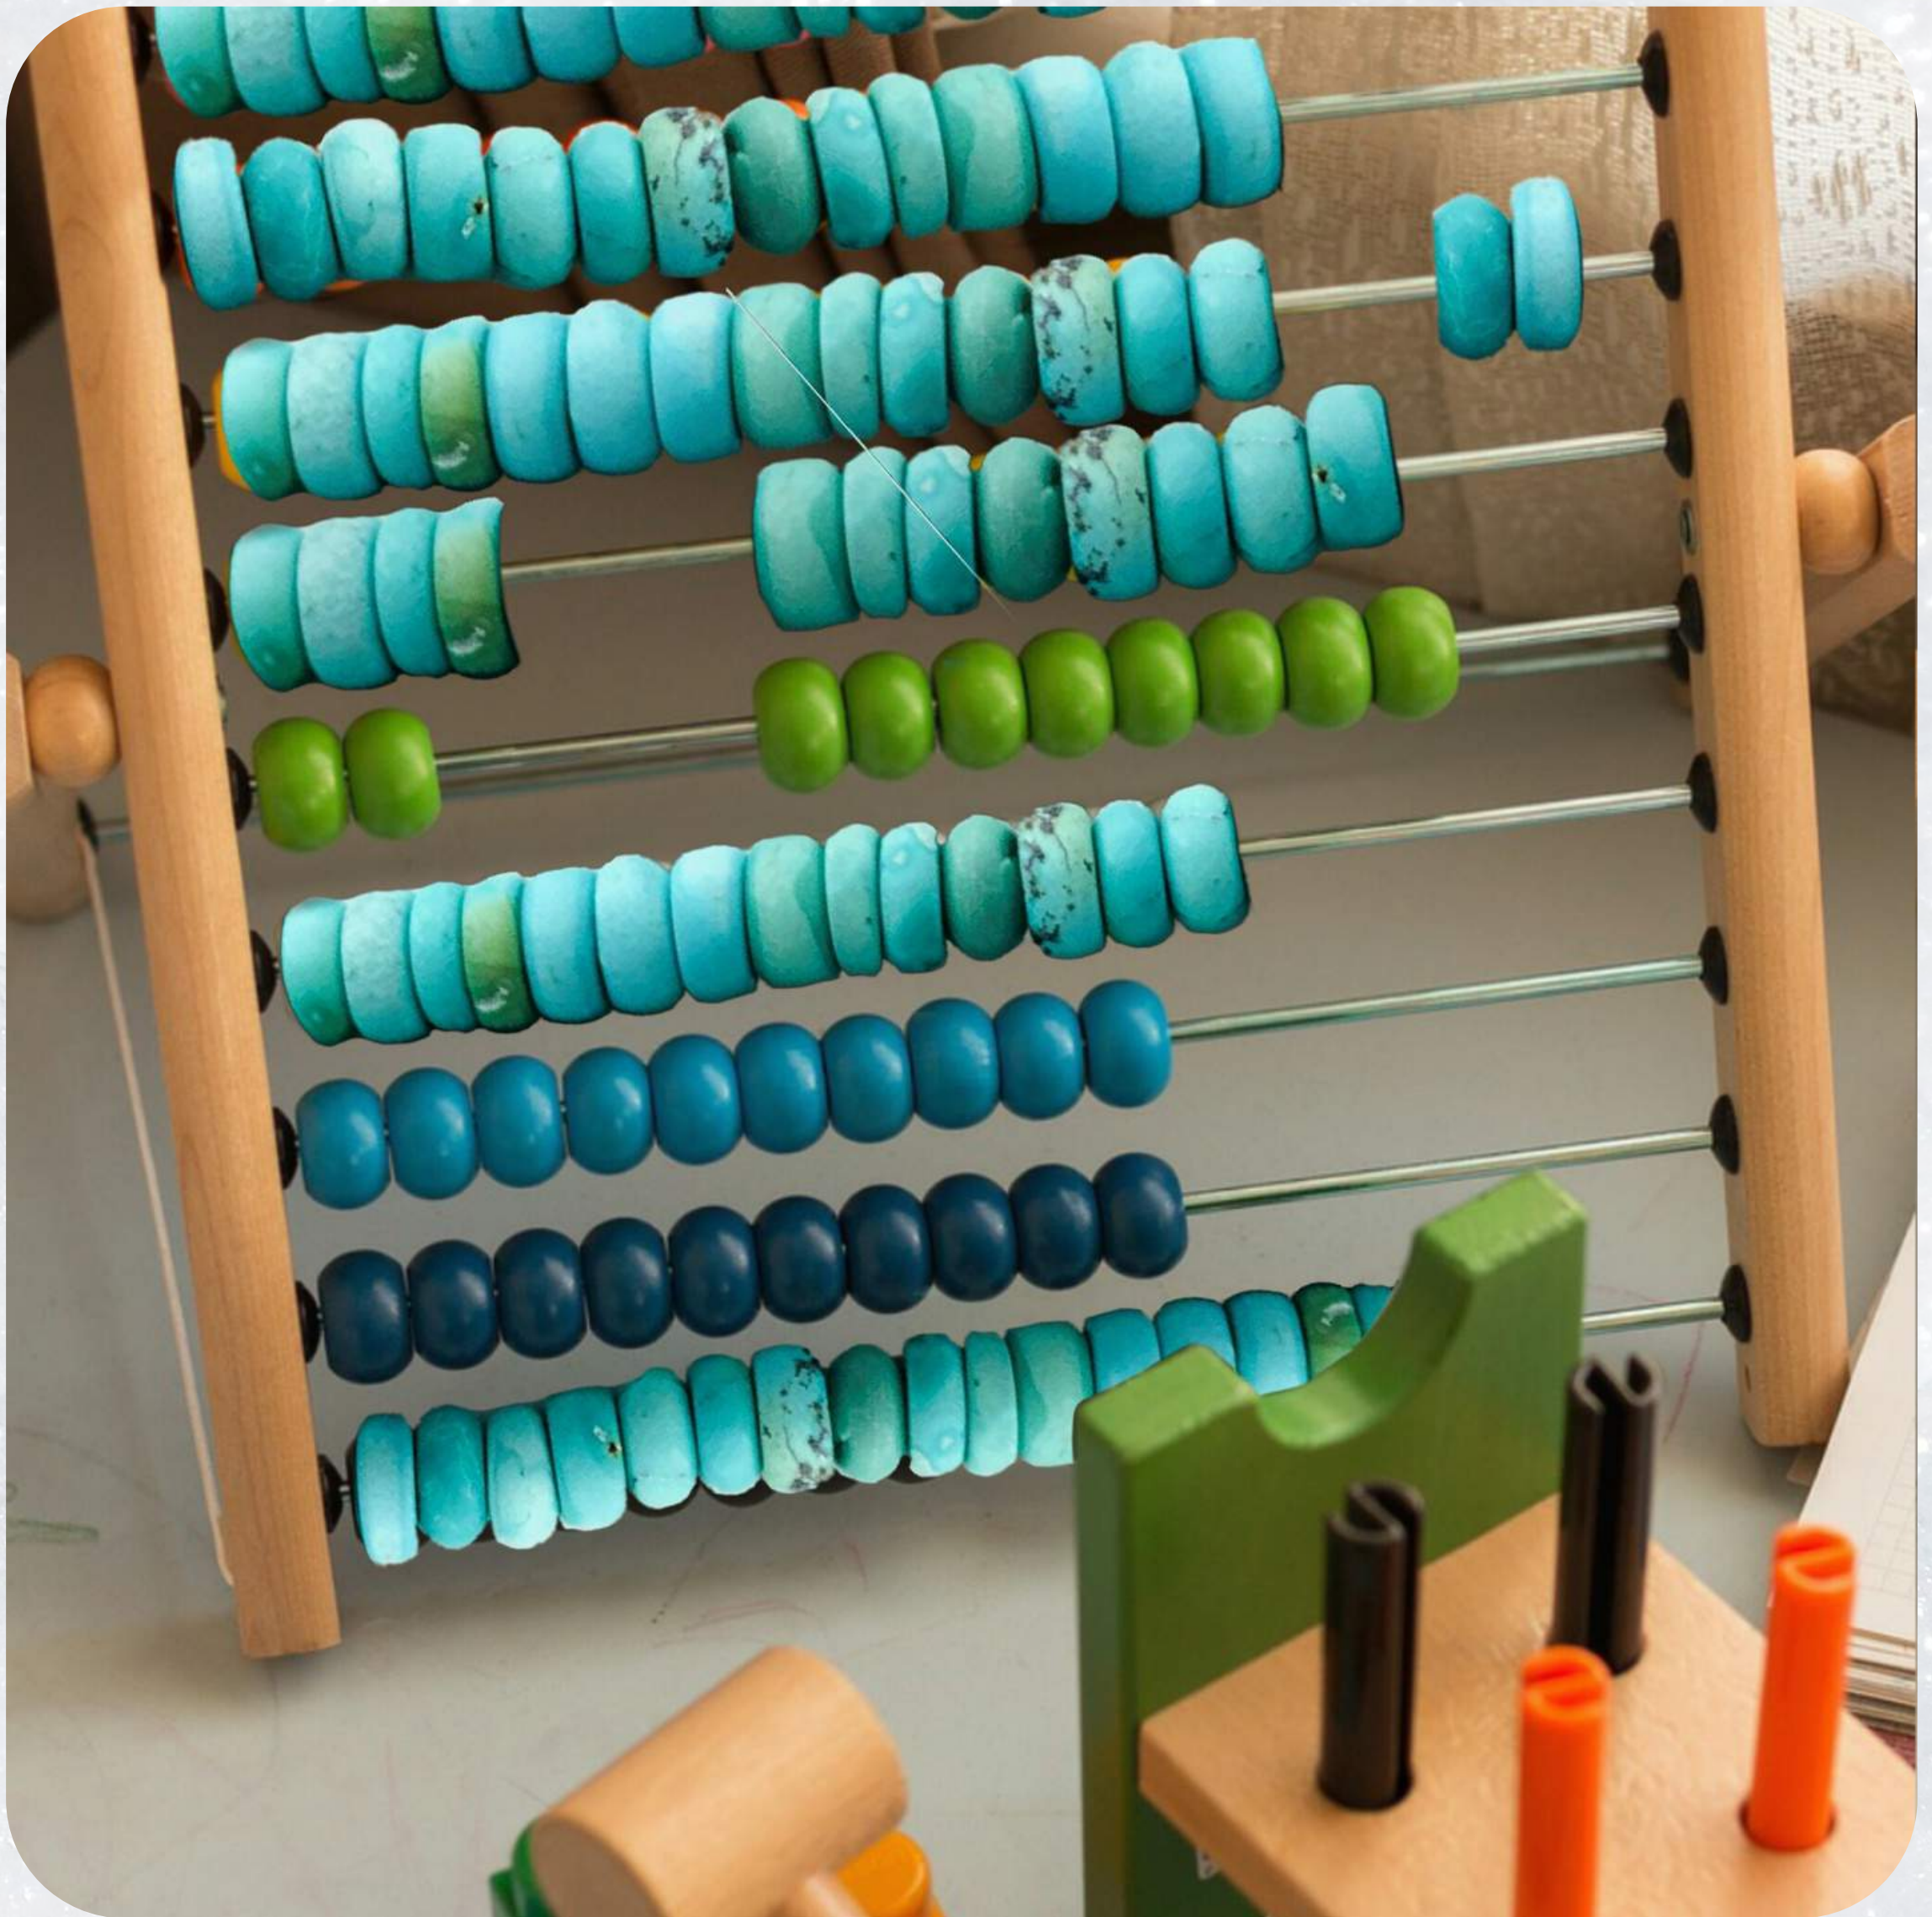

At times, an idea is never too ridiculous! The next big idea might be the one to shake things up for the better.

Showcasing cabochons in the most creative ways possible. It might seem unconventional, but hey, if it makes people look twice, isn't that great?

Hope you enjoy :)

How do I love turquoise? Let me count the ways!

Funny

In the creative route, it's not all peaches and cream! Let's create hilarious posts that will make us laugh to make our day.

Here's the incorporation of everyday things, scenarios, cute animals, food, and more to hopefully share some joy with our favorite artists. What makes you laugh?

Have fun! :)

Inspirational

More than anything, sharing content that will drive creators to feel inspired, motivated, and happy is one of our priorities.

Choosing photos that encourage us in a creative sense. What kind of photos or imagery are you drawn to? You can start from there and let the ideas flow. :)

EDITING TIPS

- Make sure everything is aligned with your branding.
- Utilize free photo editing apps available online. We love Canva and Lightroom!
- When you're feeling stuck, check out Pinterest for some inspiration (or maybe this ebook, too? :P)
- Don't overthink and trust your design gut.
- Use only royalty-free photos when you want to add other photos for your content.
- HAVE FUN!

love, moose

We hope you enjoyed this fun e-book as much as we enjoyed designing them!

Tag us on Instagram @turquoise_moose
- show us your favorite fun happy and fun photos or videos.

We'll give you a shoutout :)
