Datasheet

RS Pro Pro 18W 5ft Single LED Linear Batten

RS Stock No: 176-8576

This RS Pro 18W Single LED Linear Batten comes in 4ft, 5ft and 6ft, single and twin options.

With a high lumen output they are ideal for both residential and office applications and are suitable for surface and ceiling mounting.

With an ultra slim, white aluminium body and advanced Nano diffuser they are extremely light and offer even light distribution.

They also come with our flicker free technology and a quick fix push connector mounted on the back.
