ENGLISH

Specification:

RS Article No. 473-0840 (15W) / 473-0856 (20W)

Case Material: Steel

Width: 470mm (473-0840) / 620mm (473-0856)

Depth: 130 mm

Number of Lamps Required: 2

Power Cord: 2M in length each with one for UK type plug and one for EU type plug

Accessory (not included):

Supplied without UVA tubes (each unit requires two shatterproof tubes, available separately)

RS 473-0840 (15W) unit requires 2 x shatterproof RS 715-7954

RS 473-0856 (18W) unit requires 2 x shatterproof RS 715-7958

It is recommended that the tubes are changed every year as the UV content of the lamps reduces over time rendering old lamps ineffective.

When shatterproof tubes are not required, standard UVA tubes can be fitted:

15W standard UVA: RS 639-1835

18W standard UVA: RS 700-4563
