Datasheet
50W Square LED Flood Light

RS Stock No.: 787-1326

Features:

45 mil Epistar chip

Beam Angle: 120°-140°

CE,RoHS,IP65 Certification
Specifications:

Commodity	Square led flood light 50w
Input Voltage	AC85-265V
Frequency Range	50~60Hz
Power Factor (PF)	> 0.9
Lamp's Efficiency (%)	> 90%
Led Power	50W
Led Luminous Efficiency	≥80-90 lm/w
Led Flux	≥4000-4500lm (Tj=25 ℃)
Beam Angle	120°-140°
Color Temperature	cool white
Color Temperature	6000-6500K
Color Index(CRI)	Ra > 80
Working Temperature	(-30℃) ~(45℃)
IP Rating	IP65
Working Life	50000 hrs

Dimensions:

Applications:

Floodlighting and wall washing light for bars, clubs, hotels, stages, parks, squares, commercial buildings facade, museums, and art galleries, historical buildings.
