Datasheet

Title: LED Emergency Exit Box

Description
This LED 3W emergency exit box provides a minimum of 3 hours illumination in the event of a power failure. Utilising LED technology offers increased energy and cost savings. The LED 3W emergency exit box boasts a longer operating life and requires fewer batteries in comparison to traditional emergency lighting.

Range

LED 3W Emergency Exit Box	795-9372

Dimensions

	795-9372
Length	393mm
Height	191mm
Depth	65mm

Technical Specification

Voltage (driver)	230V~ 50Hz
Lamp Wattage	4.5W (each)
Lumen Output	120lm
Emergency duration	3 hours minimum
Battery	3.6V 110mAh NiCd
IP Rating	IP20

Features
