

# Essential Smartbright LED Batten

## BN068C LED3/WW L300 G2

Power supply unit - Wide beam - Polycarbonate linear - 140°

Whether for a new building or renovation of an existing space, customers want lighting solutions that provide quality of light and substantial energy and maintenance savings. This new batten range of LED products can be used to replace traditional battens with fluorescent lamps. The process of selecting, installing and maintaining is so easy – it's a simple switch

### Product data

| General Information           |                                  | Operating and Electrical                 |               |
|-------------------------------|----------------------------------|--|---------------|
| Light source color            | Warm white                       | Number of products on MCB of 16 A type B | 10            |
| Light source replaceable      | No                               | EU RoHS compliant                        | Yes           |
| Number of gear units          | 1 unit                           | Light source engine type                 | LED           |
| Driver/power unit/transformer | Power supply unit                | <b>Operating and Electrical</b>          |               |
| Driver included               | Yes                              | Input Voltage                            | 220 to 240 V  |
| Optic type                    | Wide beam                        | Input Frequency                          | 50 to 60 Hz   |
| Optical cover/lens type       | Polycarbonate linear             | Power Factor (Min)                       | 0.5           |
| Luminaire light beam spread   | 140°                             | <b>Controls and Dimming</b>              |               |
| Control interface             | -                                | Dimmable                                 | No            |
| Connection                    | Flying leads/wires               | <b>Mechanical and Housing</b>            |               |
| Cable                         | Cable without plug 2-pole        | Housing Material                         | Polyamide     |
| Protection class IEC          | Safety class II                  | Optic material                           | Polycarbonate |
| Glow-wire test                | Temperature 850 °C, duration 5 s | Optical cover/lens material              | Polyamide     |
| CE mark                       | -                                | Fixation material                        | Steel         |
| Warranty period               | 1 years                          |  |               |
| Constant light output         | No                               |  |               |

## Essential Smartbright LED Batten

|                           |         |
|---------------------------|---------|
| Optical cover/lens finish | Clear   |
| Overall length            | 325 mm  |
| Overall width             | 21 mm   |
| Overall height            | 34.2 mm |
| Color                     | White   |

### Approval and Application

|                              |                          |
|------------------------------|--------------------------|
| Ingress protection code      | IP20 [ Finger-protected] |
| Mech. impact protection code | IK00 [ No protection]    |

### Initial Performance (IEC Compliant)

|                                     |         |
|-------------------------------------|---------|
| Initial luminous flux (system flux) | 300 lm  |
| Luminous flux tolerance             | +/-10%  |
| Initial LED luminaire efficacy      | 80 lm/W |
| Init. Corr. Color Temperature       | 3000 K  |
| Init. Color Rendering Index         | >80     |
| Initial chromaticity                | SDCM<7  |
| Initial input power                 | 3.75 W  |
| Power consumption tolerance         | +/-10%  |

### Over Time Performance (IEC Compliant)

|                           |         |
|---------------------------|---------|
| Median useful life L70B50 | 20000 h |
|---------------------------|---------|

### Application Conditions

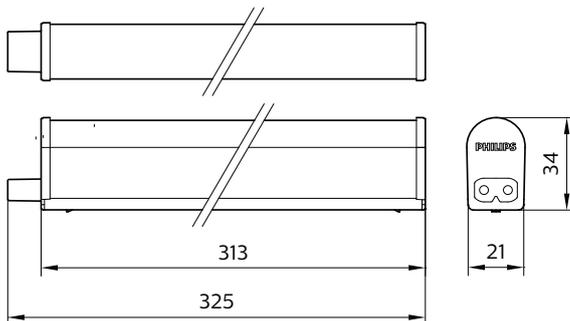

|                           |                |
|---------------------------|----------------|
| Ambient temperature range | -20 to +40 °C  |
| Maximum dim level         | Not applicable |

### Product Data

|                                 |                        |
|---------------------------------|------------------------|
| Full product code               | 911401818697           |
| Order product name              | BN068C LED3/WW L300 G2 |
| EAN/UPC - Product               | 8710163310404          |
| Order code                      | 911401818697           |
| Numerator - Quantity Per Pack   | 1                      |
| Numerator - Packs per outer box | 24                     |
| Material Nr. (12NC)             | 911401818697           |
| Net Weight (Piece)              | 0.054 kg               |
