Specifications

## Trailing socket, AvatarOn, with individual switch & USB, 4 gang, 3M, white

TSH34U\_3\_WE\_C5

### Main

Range	AvatarOn
Product or component type	Power strip
Shape	Rectangular
Control type	Switch
Socket number	4
Integrated connection type	2 USB port 5 V DC, maximum load current: 2.4 A
Cable length	3 m

### Complementary

Number of socket outlets with earth pin	4
[Ue] rated operational voltage	250 V
Number of USB connection	2
[In] rated current	13 A
On/Off switch present	True
Outlet standard	BS 1363
Surge protection present	False
Marking	With Schneider logo USB symbol
Cover present	False
Socket additional information	Shuttered
Pilot light	ON indicator
Material	PC (polycarbonate)
Length	307.5 mm
Width	61 mm
Depth	32 mm
Type of packing	Blister
Type of cable	H05VV-F3G1.25
Cable cross section	0...1.25 mm <sup>2</sup>
Colour	White

Surface treatment	Untreated
Surface finish	Glossy
Height	32 mm
Net weight	0.665 kg

## Environment

IP degree of protection	IP20
-------------------------	------

## Packing Units

Unit Type of Package 1	PCE
Number of Units in Package 1	1
Package 1 Weight	780.0 g
Package 1 Height	7.4 cm
Package 1 Width	8.0 cm
Package 1 Length	35.5 cm
Unit Type of Package 2	S04
Number of Units in Package 2	12
Package 2 Weight	10.12 kg
Package 2 Height	30.0 cm
Package 2 Width	40.0 cm
Package 2 Length	60.0 cm
Unit Type of Package 3	P12
Number of Units in Package 3	144
Package 3 Weight	133.44 kg
Package 3 Height	105.0 cm
Package 3 Width	80.0 cm
Package 3 Length	120.0 cm
