

# Forward throw LED wallpack

Luminaire for external walls and columns for lighting the outside of buildings.

Forward throw optics semi-cut-off beam provide excellent coverage and reduced glare.

Full diecast aluminum housing with highly efficient led modules  
Dimmable by 0-10V DC or set required wattage from 45W down to 20W by selection of Rset resistor.

## Model No.: SWL C45HU30K

- Fixture Color : Matt black
- LED : High performance SMD LEDs
- Wattage : 45W
- Color Temperature : 3000K
- Dimension : 320 x 225 x Projection 210mm
- Luminaire Lumens : 3024lm
- Driver : Integrated HPF driver

Dimming: Dimmable by 0-10V DC signal.  
Note: Wattage can be set at 20W, 25W, 30W, 35W, 40W by Rset.
