• Product Introduction

GameSir GK100 is the authentic one-handed mechanical gaming keypad for Windows PC and GameSir X1. Besides, GameSir G-Core, the official supported software, enables you to adjust all key configurations, macros as well as lighting effects to build your own exclusive and unique keypad.

• Key Configuration

GameSir GK100 has two unique default key configuration profiles. Press FN+W/A/S/D to switch the two key modes. The functions of each key can be changed to customize your own GameSir product.

- ① Power indicator
- ② Arrow key mode indicator
- ③ RGB LOGO indicator
- ④ Configurable key
- ⑤ Sliding-rail style palm-rest

• Default Mode
