Suffragan Bishop Gilbert Gooden - Pastor

March 19, 2018

Dear Merchants and Retailers,

Church Tax ID # [REDACTED]

We will be having our Annual Family & Friend's Day event this year. This is a special event that we invite family and friends to come out and be a part of a special program hosted by our church. The purpose of this special service is for family and friends to get together to fellowship and have fun with each other. We did not have this program last year and feel like we should get together this year because family is a very importance part of our lives.

We are asking if your company would please give a donation (gift card or a gift) to be giving away during this special event. Your donation will be giving away for door prizes, during games and fun entertainments to our guest. Your company will be recognized during this event.

Thank you for your support in advance to help us make this special event a success. We need your donation by April 16 or sooner.

Please contact Peggy Chambers at [REDACTED] or mail to St. John Church of God Ministries [REDACTED]

May God continue to bless you and your business.

Respectfully,

Family and Friend's Day Committee
